# WHAT OUR CLIENTS SAY

'This is a quick mega GRAZIE thank you to all of you for yesterday night. For your kindness your precious help and hospitality! To the staff present as well helping us with everything... please give our thank you!'

**LENOVO**

'May I take this opportunity to add our gratitude to you, Cristina and the rest of the staff at the museum for the great day yesterday. Our delegates were very impressed with the building and the museum itself, and some of them, who didn't know of the museum previously, mentioned they would return for another visit with their children. So all in all, a very positive experience for the group, and some more visitors to the museum in the near future!'

**LEADER IN INTERNATIONAL BANKING SECTOR – MARCH 24**

'This is just a very brief email to let you know how pleased we were with the event on Tuesday at the Museum of London Docklands. The day and night were both superb, with everything running smoothly and as planned. You were both so helpful and honestly, I cannot fault the assistance and support that you

both provided. There was clearly an excellent level of communication between you, the catering team as well as the various teams involved (such as Security and AV). I truly do not think that either of the events would have been as successful if it had not been for you both. I just wanted to send over an email of thanks as I'm sure most people are more likely to send a complaint across than a compliment! Please can you pass on our huge thanks onto all the staff involved in the delivery of the event yesterday.'

**TECH COMPANY – FEB 24**

'We were all so delighted with the venue and the staff. Everyone was so helpful, friendly and professional. We have received such positive feedback following the event and it has been hailed as the best Christmas party the company has hosted. Thank you so much!'

**SAGE**

'The venue and team members all exceeded my expectations. I had many of my attendees tell me what a wonderful it was, that they would never think to have it at the Museum but were so pleasantly surprised.'
